**JUNE EDITION**

# THEME FOR THE MONTH: AWARENESS

**ROMANS 8:14**

Christ Ladder Ministries welcomes you to June 2025. We believe God's hands have been evident in your life and family through the previous Month. The months of June and July represent the midst of the year, according to the book of Habakkuk 3:2. In the midst of the year, the Lord has in stock great plans for His people, plans for mercy, kindness, goodness, favour, blessings, fruitfulness, breakthrough, deliverance, among many others. Perhaps this is why the Lord extended His mercy upon the Church during our 72 hours in May 2025.

## Why do we need the mercy of God?

1. To stop the judgment of sin (Genesis 18:20-32)
2. To remove the curse of the law (Gal. 3:13-14)
3. To avert the curse of God (Genesis 3:16-19)
4. To access the covenanted blessings of God (Genesis 17:1-9).

At the close of May 2025, God said, repent and witness His mercy. We must understand that whenever the Israelites repented and returned to God, He would frequently restore them to a state of blessing and favour. They experienced restoration to their homeland, regained freedom from bondage, returned from exile, and enjoyed spiritual and physical blessings. The book of Acts 26:18 attests to this: "To open their eyes, and to turn them from darkness to light, and from the power of Satan unto God, that they may receive forgiveness of sins, and inheritance among them which are sanctified by faith that is in me."

What is God saying to us as His people in June 2025? The prophetic focus for the month, as declared by God through His Servant, the General Overseer of Christ Ladder Commission Worldwide, Prophet Oluwatoyin Aderele, is Awareness (Romans 8:4). Throughout the month, the will of God will be revealed to us through a series of teachings and preachings that will come our way. However, to prepare us for what awaits us in the month, what then is AWARENESS?

## The Biblical Definition and Core Meaning of Awareness

Awareness is a concept that goes beyond merely perceiving or knowing information. It encompasses a deep understanding and consciousness of oneself, others, and the world around us. In a biblical context, awareness plays a significant role in our spiritual journey and relationship with God.

As believers, it is essential to cultivate Awareness in our spiritual lives. The Bible teaches us that Awareness is more than mere knowledge or understanding; it encompasses a deep sense of discernment and insight guided by God's wisdom and revelation. Developing Awareness inevitably brings us closer to God and fosters a deeper understanding of His Word. Additionally, being spiritually aware enables us to discern God's will and align our actions with His purpose.

According to the Bible, spiritual Awareness involves recognising that our struggles are not solely against flesh and blood (*Ephesians 6:12*). It goes beyond the

flesh and blood (*Ephesians 6:12*). It goes beyond the superficial belief that human resistance is the only force behind our challenges. Spiritual Awareness, as encouraged by the Scriptures, prompts believers to cultivate an understanding of the spiritual dimension of life. This Awareness allows us to discern and pursue what is true, noble, correct, and pure (*Philippians 4:8*).

### Understanding the Importance of Awareness.

Through Christ's redemption, we gain a deep spiritual understanding that transforms our perspective on ourselves, others, and God. Since our rebirth, we have been raised and seated with Christ above all powers and principalities (*Ephesians 2:6*), setting our hearts on things above. The Bible encourages us to trust the Lord with all our hearts and not rely on our understanding. By seeking God's guidance and relying on His wisdom, we develop an awareness that distinguishes us from the world and brings glory to His name.

Furthermore, spiritual Awareness can be described as the recognition and response to the reality of God's presence, purposes, and truth as revealed in Scripture. It involves thoroughly understanding the human condition and acknowledging our need for

divine guidance and redemption. This Awareness grows from a willingness to seek, hear, and obey the voice of God. It encompasses a spiritual understanding of divine truth based on evidence found in the Bible and the testimony of creation, as well as a personal and relational experience with God.

Based on the Biblical foundation and Scriptural context from the book of Genesis, Scripture attests to humanity's innate connection to God. *Genesis 1:27* states, "So God created man in His image; in the image of God, He created him." This idea of humanity being created in God's image implies a capacity for spiritual fellowship. However, the fall of Man in Genesis 3 obscures Man's insight into revelational Spiritual realities and separates Man from Godly wisdom and knowledge; this is the purpose of redemption: to reconnect Man to God and reconnect our ability to access deep things of God. In 1 Corinthians 2:9-10, His word says, "But as it is written, Eye hath not seen, nor ear heard, Neither have entered into the heart of man, The things which God hath prepared for them that love him. But God hath revealed them unto us by his Spirit: for the Spirit searcheth all things, yea, the deep things of God."

## Divine Awareness Through the Scripture Reveals That.

1. God's invisible qualities and the quest of Man to understand origin and purpose (*Romans 1:20*)
2. God is an intelligent designer who orchestrated the universe (*Genesis 1:1*)
3. Man's spiritual insight and knowledge are obscured into deep things; only God possesses ultimate wisdom (*Psalms 139:1-2, 1 John. 3:20*)
4. Spiritual truth remains hidden and can only be accessed through the spirit of wisdom and revelation (*1 Corinthians 2:10-16*)
5. Only God's spirit illuminates the heart of creation to understand and embrace spiritual realities (*1 John 2:20, Luke 24:45*)
6. Highlights the physical depends on the spiritual. Man's dependency is on God (*Romans 9:16*)
7. Spiritual awareness revealed that Holy Spirit must not be grieved (*Eph. 4:30*)

## The Role of the Holy Spirit In Creating Awareness.

*John 16:13* says, "When the Spirit of truth comes, He will guide you into all truth". Therefore, Spiritual Awareness is not merely an intellectual ability; it results from the Holy Spirit's work in the heart and mind of a believer. Holy Spirit guidance unveils genuine conviction of sin (*John 16:8*), transforming an individual's perspective on issues of life relating to morality, purpose, and destiny. The Book of Acts states that The Holy Spirit grants believers clarity and understanding (*Acts 2; Acts 8:29 and Acts 13:2*). Also, The Holy Spirit's ministry shapes the believer's worldview, drawing them into consistent reliance on God's revealed truth and reminding us that Christ's resurrection verifies a promise of new life (*1 Corinthians 15*).

## Benefits of Awareness

1. Awareness fosters spiritual growth
2. Awareness guides our moral decision-making
3. Awareness helps believers live a life pleasing to God.
4. Awareness enhances and guides believers' relationship with God.
5. Awareness fosters your personal growth and development.
6. It helps believers find meaning and purpose in their lives.

7. Awareness promotes your inner peace and tranquillity.
8. It helps develop a greater capacity for compassion and empathy.
9. It helps individuals transcend beliefs limited to societal conditioning and ego-driven patterns.
10. It provides a framework for coping with life challenges such as loss, grief, and uncertainty.

## Conclusion

When rooted in biblical principles, awareness empowers us to live purposeful and impactful lives. Through self-awareness, we can grow spiritually and align ourselves with God's will. Awareness of others enables us to love and serve one another in love and foster unity within the body of Christ. Finally, Awareness of God's presence deepens our relationship with Him and leads us to His plans and purposes.

Welcome to the Month of AWARENESS. May this Month be fulfilling and rewarding as God promised us all in the Mighty Name of Jesus Christ. Amen.  
Shalom!
